
SALE OF GOVERNMENT GENERAL ORDER MERCHANDISE GENERAL SALE TERMS AND CONDITIONS

1. GENERAL INFORMATION:

The placement of a successful bid at a Department of Homeland Security auction establishes a legally binding contract between the successful high bidder and U.S. Customs and Border Protection. The auctioneer's announcement of the high bid amount and the bidder's number establishes the contract which may be subject to final acceptance by the Government. This contract is bound by these Terms and Conditions as well as other Federal regulations governing contracts for the purchase of Government merchandise. The successful bidder is legally bound to pay for merchandise awarded in accordance with his/her bid.

The contractor is acting as the agent of the Government with respect to the sale of Government merchandise.

2. ELIGIBILITY OF BIDDERS:

The Bidder warrants that he/she is not:

- (a) under 18 years of age;
- (b) an employee of any department or agency of the Federal Government prohibited by the regulations of that agency from purchasing merchandise sold hereunder;
- (c) an agent or immediate member of the household of the employee in (b), above;
- (d) the contractor, subcontractor or vendor, their agent or employee who has access to information concerning the merchandise to be sold at DHS/CBP auctions that is not generally available to the public;
- (e) presently debarred or declared ineligible for the award of contracts by any Federal agency in accordance with 41 CFR 101-45.6;

The contractor's subcontractor may not act as agent for a third party in purchasing DHS/CBP merchandise that is or has been in their custody or control. For breach of any of these warranties, the government shall have the right

to cancel the contract without liability.

3. REGISTRATION OF BIDDERS:

All persons wishing to participate in the bidding process of the sale are required to obtain, completely fill out, and turn in a bidder registration card at the sale site prior to sale.

An individual's signature/initials on the bidder registration card is an acknowledgment of his/her full and complete understanding of all terms and conditions of the sales contract and his/her agreement to be bound thereby. Each bidder must present a Government-issued photo ID as a prerequisite of registration (i.e. driver's license, military ID or passport).

Each bidder will be issued a bidder number/username along with a sales catalog upon completion of registration. Each registered bidder is solely responsible for the use of his/her bidder number and any use by another person is presumed to be with the consent of and contractually binding on the registered bidder.

The registrant agrees that, should the registrant be the successful bidder on a lot, the following information regarding the transaction shall be published to a designated Government auction website:

- 1). The registered bidders name;
- 2). The lot number;
- 3). The lot description; and,
- 4). Purchase price of lot.

Electronic Freedom of Information Act Amendments of 1996 (5 U.S.C. 552 (2000)).

4. VIDEO RECORDING:

The contractor may videotape the conduct of sale which may be utilized in dispute resolution processing and for other purposes as needed.

5. INSPECTION OF MERCHANDISE:

The bidder is invited, urged, and cautioned to inspect the merchandise prior to submitting a bid. The failure to inspect merchandise shall not constitute cause for cancellation of sale. The merchandise or a photograph of the merchandise will be available for inspection at the places and times specified by the contractor. Absolutely no access to merchandise is allowed outside the specified times.

6. ORAL STATEMENTS AND MODIFICATIONS:

Announcements may be made on the day of the sale to clarify merchandise status, catalog descriptions, or other information specific to a lot or item. These announcements take precedence over sales catalog information pertinent to that merchandise, but do not alter in any way the basic terms and conditions of sale. An errata sheet will be distributed to provide bidders with an up-to-date posting of lot additions, deletions, or modifications. The errata sheet information replaces the applicable corresponding information in the sales catalog.

Further, no interpretation of any provision of the sale contract, including applicable performance requirements, shall be binding on the Government unless furnished or agreed to, in writing, by the Contracting Officer.

7. ADDITION/WITHDRAWAL OF MERCHANDISE:

The Government reserves the right to withdraw from sale any of the items listed in the sales catalog/online listing or to sell at auction items not listed.

8. MERCHANDISE DESCRIPTIONS:

The Government warrants to the original Purchaser that the merchandise listed in the sales catalog for bids will conform to its description. This warranty is in place of all other guaranties and warranties express or implied. The Government does not warrant the condition, quality, or merchantability of the merchandise or its fitness for any use or purpose. The condition of items offered varies from "NEW" to "SALVAGE." The Purchaser understands and agrees that all merchandise is purchased and accepted "AS IS, WHERE IS" and "WITH ALL FAULTS."

The amount of recovery under this provision is limited to the purchase price of the inaccurately described merchandise. The Purchaser is not entitled to any payment for loss of profit or any other money damages, including special, direct, indirect, incidental, or consequential.

For Purchasers claiming recovery under the warranty of description, no refund will be made unless the Purchaser:

- a) Submits a written notice to the Contractor within thirty (30) calendar days of the date of removal that explains in what manner the merchandise was inaccurately described.
- b) If the Government agrees, then a full refund of the money received will be returned.

If a misdescription is determined before removal of the merchandise, the Government will keep the merchandise and refund any money paid. If a misdescription is determined after removal, the Government will refund any money paid if the Purchaser takes the merchandise at his/her expense to a location specified by the Contractor. The Purchaser must maintain the merchandise in the same condition as when removed.

9. OFFERING OF MERCHANDISE FOR AUCTION AND SUBMISSION OF BIDS AND AWARD:

For open and progressive voice auction sales, it is the bidder's responsibility to pay attention to items being offered for sale and to bid on those items in which he/she is interested.

(c) In the event of a dispute as to the amount bid, item or item number, and/or paddle number of the Bidder, the Government reserves the right to re-offer the item in question. Once the Government accepts a bid, a contract is established and the Purchaser may not withdraw the bid. The auctioneer will not accept unilateral conditions asserted by the high bidder.

(d) The invoice, as to the name and number of the Purchaser, and the amount of the bid shall be prima facie evidence of these facts of the sale, and all disagreements will be resolved in accordance with such records;

15. APPLICABLE TAXES:

All purchasers are responsible for the payment of any and all applicable taxes imposed by any state, country, county, or political subdivision.

The Purchaser may be required to pay such taxes to the cashiers at time of sale or to tax officials after purchase is made. If sales taxes are required, presentation of proof of payment will be required prior to merchandise release.

16. ISSUANCE OF PAYMENT/RELEASE DOCUMENTATION:

Upon receipt of full and final payment for all items purchased at each auction, the Contractor shall provide the Purchaser with a receipt of each deposit or payment. Sale receipt(s) and release documents will only be issued in the name/company name of the registered bidder.

17. PREPARATION FOR SHIPMENT, LOADING AND REMOVAL:

The Purchaser is responsible for making all arrangements for the packaging and removal of their purchases. When merchandise is described in the sales catalog as being boxed, packed, crated, skidded, or in containers, the Government does not warrant that the property,

as packaged, is suitable for shipment. Segregation, culling, or selection of property for the purpose of effecting partial or incremental release will not be permitted. No partial release will be permitted. Removal is at the expense, liability and risk of the Purchaser. A bonded warehouse cannot charge for removal of merchandise to the loading dock. However, the bonded warehouse may charge the Purchaser for services extending beyond removal to the loading dock (i.e. acquiring weights and/or measures, loading the Purchaser's vehicle/truck, re-palletizing shipment, re-packaging shipment, use of forklift for loading, etc.). Purchaser is encouraged to inquire as to these charges when making arrangements for the removal of his/her merchandise so as not to delay removal.

All Purchasers or their authorized representatives will be required to present sale receipt(s) and release document(s) prior to the initiation of any shipment preparations. If a Purchaser designates a representative agent, broker or transporter to pick up their sale merchandise, the Purchaser must prepare and sign a notarized authorization letter identifying the agent to act on their behalf. The Agent must present photo identification to validate the Purchaser's option prior to initiation of any action.

18. REMOVAL FROM COMMERCIAL STORAGE LOCATIONS:

Any items purchased at auction will be released to the Purchaser or his/her designated representative upon presentation of the sale receipt(s) and release document(s). If Purchaser elects to have a designated representative (transporter, broker, other) pick up his/her merchandise, that person must have all sale receipt(s) and release document(s) and a notarized authorization letter signed by the Purchaser for removal.

All merchandise stored at commercial warehouse facilities must be picked up by the time specified in the sales catalog/online listing and an appointment must be scheduled in advance. The failure to pick up merchandise by the specified time will be declared a default against the Purchaser as specified in paragraph 23.

19. REMOVAL OF EXPORT ONLY:

Any merchandise listed in the sales catalog "For Export Only" may not be entered into the commerce of the United States and must be exported under conditions described in the sales catalog/online listing.

All Purchasers are responsible for complying with all applicable federal licensing and permit regulations prior to exportation. The failure of the purchaser to obtain necessary licensing will not result in the return of any monies tendered for the goods.

The purchaser will have fifteen (15) calendar days from auction day to remove domestic consumption merchandise from the storing warehouse.

The Purchaser will have thirty (30) calendar days from auction day to remove "For Export Only" merchandise, except conveyances, from the United States.

The Purchaser will have forty five (45) calendar days from auction day to remove "For Export Only" vehicles or conveyances from the United States.

If the Purchaser fails to remove merchandise within the stated removal period, the Purchaser will be deemed in default and the merchandise will be resold by the Government as provided in paragraph 23 of these Terms and Conditions of Sale.

Presentation of exportation documents will also be required prior to release. These documents include the CBP Form 7512, Transportation Entry and Manifest of Goods Subject to U.S. Customs and Border Protection Inspection and Permit, or a CF 214, Application for Foreign-Trade Zone Admission and/or Status Designation, for the subject merchandise to be exported. The Contractor will offer no assistance whatsoever.

All forms required for exportation may be obtained at a nominal cost from the local U.S. Customs and Border Protection office. Because of the complexity of some export requirements, the purchaser may wish to secure the services of a Customhouse Broker, bonded carrier, or other professional in securing the necessary documents required for exportation.

20. LIMITATION OF GOVERNMENT LIABILITY:

Except for reasonable packing, loading, and transportation costs (such packing, loading, and transportation costs being recoverable only when a return of merchandise at the Government's cost is specifically authorized in writing by the Contracting Officer or other costs authorized in writing by the Contracting Officer) the measure of the liability of the Government under any provisions of the terms and conditions in any case where liability of the Government to the Purchaser has been established shall not exceed the refund of such portion of the purchase price as the Government may have received.

21. TITLE:

The Contractor shall furnish the Purchaser with all documents in its possession that have been provided to the Contractor by the Government relating to the title, registration, or licensing of

the merchandise sold to the purchaser.

22. MARITIME EXPORTATION:

To export a commercial vessel, a license from the Department of Commerce, Bureau of Industry and Security, Export Administration, Washington, DC, may be required. For further information, contact (202) 482-2111.

23. DEFAULTS:

The failure to make required deposit or final payments and/or comply with the time frames specified in the sales catalog/online listing for removal of merchandise shall be deemed forfeiture of any rights, title, and interest the Purchaser may have acquired. The title of such merchandise shall revert back to the Government without further notice to the Purchaser and will result in any monies paid being forfeited. The transaction shall be null and void as to the Purchaser. The merchandise will be processed for resale at the next available auction.

24. REQUIREMENTS TO COMPLY WITH APPLICABLE LAWS AND REGULATIONS:

It is the Purchaser's responsibility to ascertain and comply with all applicable Federal, State, local, and multi-jurisdictional laws, ordinances and regulations pertaining to the registration, licensing, handling, possession, transportation, transfer, export, processing, manufacture, sale, use, or disposal of the merchandise listed in the sales catalog.

The use of false or misleading advertisements in commerce or other unfair or deceptive practices are unlawful (15 U.S.C. 45, et seq.).
